

CRI to exhibit at ERE Expo Conference March 31st-April 2nd. Booth 309

LOS ANGELES, CA / [2/20/08] -- CRI, a global Recruitment Process Outsourcing (RPO) firm, will exhibit in a major industry conferences in March of 2008.

The Electronic Recruiting Exchange (ERE) Expo in San Diego, CA on March 31-April 2nd 2008 is an international gathering of recruiting industry leaders that share best-practices in recruiting and staffing. This event, put on by ERE Media, is an opportunity to educate HR professionals about the rapidly changing recruiting industry. HR leaders from around the world will hear industry visionaries speak about the changing marketplace of recruiting as well as the emerging technologies that will evolve the landscape of talent acquisition.

CRI will be located at booth **309** sharing information about Recruitment Process Outsourcing (RPO) as well as their revitalized Applicant Tracking product, PeopleCapital. CRI has over 10 years of experience with recruitment engineering and recruitment consultation.

Come learn about CRI's "high-touch" recruiting process and enter the raffle for a brand new Ipod Touch™ to be given away to a lucky booth visitor.
